Internal Transfer

Transfer Funds

You can transfer funds from one account to another with the Transfer Funds feature. For example, you can move funds from your checking to your savings, or make a payment from your checking to your loan, etc. You will need to first which accounts you would like the funds to come from and transfer to. Then you can select the amount, the date, and even leave an optional memo. Once these fields have been selected. Click Submit to complete transfer.
